MarinLoop BETA

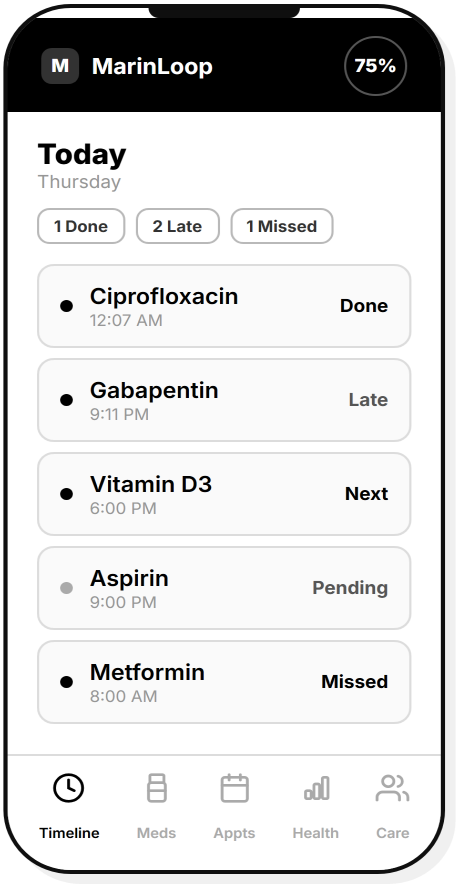
marinloop.com

Your Medications, Simplified.

Reminders, adherence tracking, and care coordination in one installable app — built for patients and caregivers who need a daily system that actually works.

Open Beta — Free for Personal Use

No credit card. No app store. Installs on any phone.



1 Add Medications
Search, scan a barcode, or enter manually

2 Set Reminders
Push notifications fire on schedule, even offline

3 Track Adherence
Daily rings and weekly trends at a glance

WHAT MARINLOOP DOES

Daily Timeline
Visual schedule of every dose, color-coded by status

Medication Manager
Add by name, barcode, or label photo. Track supply & refills.

Care Network
Share your care plan with family, caregivers, and providers

Push Reminders
Notifications fire at the exact time, even when closed

Health Tracking
Log vitals, journal entries, and adherence trends over time

AI Assistant
Voice commands and label scanning. Opt-in, revocable.

Ready to Simplify Your Medication Routine?

Scan to get started

1. Scan the QR code or visit the link below
2. Create a free account (email or Google)
3. Add your medications and set reminders
4. Use it for a week, then tell us what you think
