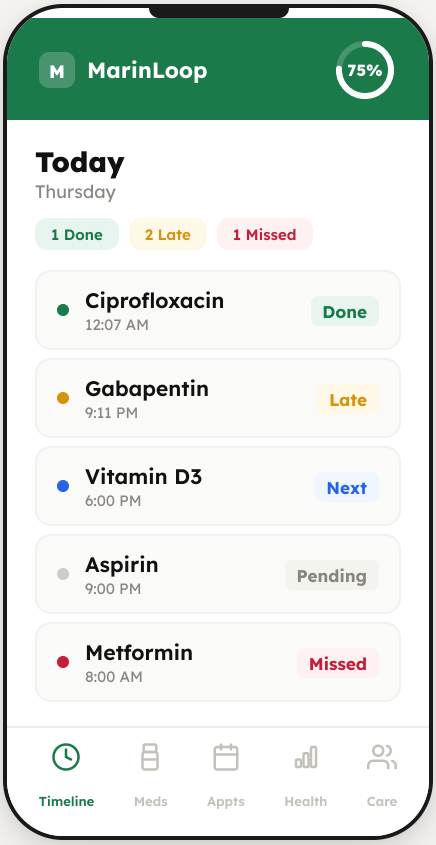
MarinLoop BETA

marinloop.com

Never Miss a Dose Again.

Medication reminders, adherence tracking, and care coordination in one installable app — built for patients and caregivers who need a daily system that actually works.



Open Beta — Free for Personal Use

No credit card. No app store. Installs on any phone.

1. **Add Medications** — Search, scan a barcode, or enter manually
2. **Set Reminders** — Push notifications fire on schedule, even offline
3. **Track Adherence** — Daily rings and weekly trends at a glance

WHAT MARINLOOP DOES

Daily Timeline
Visual schedule of every dose, color-coded by status

Push Reminders
Notifications fire at the exact time, even when closed

Medication Manager
Add by name, barcode, or label photo. Track supply & refills.

Health Tracking
Log vitals, journal entries, and adherence trends over time

Care Network
Share your care plan with family, caregivers, and providers

AI Assistant
Voice commands and label scanning. Opt-in, revocable.

No Ad Tracking · Full Data Export · Your Data Stays Yours · Installable PWA

Ready to Simplify Your Medication Routine?

Scan to get started

1. Scan the QR code or visit the link below
2. Create a free account (email or Google)
3. Add your medications and set reminders
4. Use it for a week, then tell us what you think

Free for Personal Use · Installable PWA · No Ad Tracking · Full Data Export

MarinLoop is a personal tracking and reminder tool. Not a medical device, not for emergency use. Always follow your provider's instructions.
